

Land Use Regulation: The Impacts of Alternative Land Use Rights (Paperback)

By Martin A. Garrett

ABC-CLIO, United States, 1987. Paperback. Condition: New. Language: English. Brand new Book. Land Use Regulation is well worth reading and should be of interest and value to teachers of land use and urban analysis, planning practitioners, public officials involved in land use planning, citizen groups, and concerned individuals. Shirley F. Weiss, Professor of City and Regional Planning, University of North Carolina, Chapel Hill Since the early 1960s land use issues have become increasingly important in American society. Suburban communities have found themselves in the path of urban growth or have felt rapid growth pressure from within. How policy can be developed to cope with mounting land use problems, and the role that regulation has in this policy, is the topic of this unique new volume. Land Use Regulation offers both students and planners an interdisciplinary analysis of land use involving economics, public policy, and court rulings. It discusses how the implementation of land use policies, which are supported by economic theory, occurs through the political process which, in turn, is guided by the judiciary. Garrett challenges the widely held view in favor of a free market approach to land use. Because of the problems that rapid growth impose on a local...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
